CID VIET NAM GASKETS – FUR DOOR SEALS – PLASTIC – ACCESSORIES

INTRODUCTION

Dear: Our valuable Customers!

First of all, CID Vietnam Investment and Development Joint Stock Company would like to send our most respectful greetings.

Immediately after being established, CID Vietnam has deployed its first business line of Construction - Installation of aluminum and glass works. Although it has been newly put into operation, the contingent of officials and employees with rich qualities and working capacity, along with the right development policies, the Company has initially affirmed its capacity and reputation in the field of aluminum and glass Construction.

Until June 2015, CID Vietnam continued to deploy the second business field which is Trading of Aluminum and Glass accessories. With its capacity and experience, the Company has become one of the leading and reputable suppliers of Aluminum and glass accessories in Vietnam.

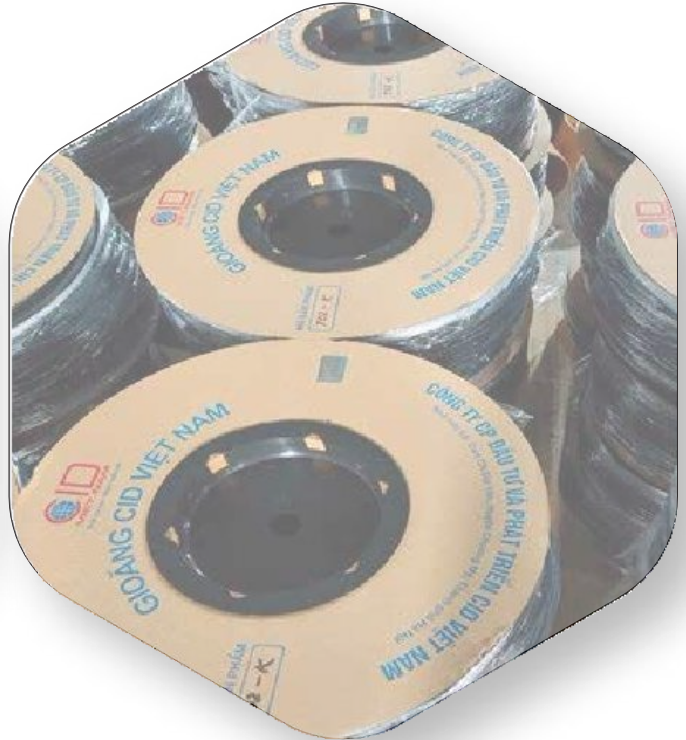

Following the previous two business fields, in 2016, the Company expanded to a new business field: Producing Door Gaskets. By 2018, the company continued to expand the production of aluminum, glass, plastic products, fur door seals (felt gaskets) while providing other relevant materials.

With the contingent of highly qualified officials and employees, along with the careful preparation for products, CID VIET NAM has affirmed its Brand and strongly developed in the market.

CID Vietnam Investment and Development Joint Stock Company would like to send You more information about our products with the wish that You will get more choices and we will have new loyal customers.

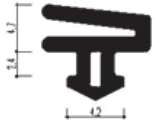

Sincere thanks!
